AVEN 09

Description

A particularly soft structure woven in an ‘illusory’ pattern. The ton sur ton lines are cleverly woven dobby structures. The pattern is a nod to vintage and a variation on the classic houndstooth. Aven is the name of a prairie flower and combines well with the plain structures Prairie, Steppe and Stoner. Aven is intended for decorative use.

Specifications

Part ID	0421210009
Composition	60% viscose, 20% cotton, 10% polyester, 10% linen
Width (cm)	140 cm
Weight (g/m1)	880 g/m1
Lightfasness (scale 1-8)	6
Pilling	4
Certifications	OEKOTEX
Color variants	5

Washing instructions

Industrial washing instructions
