

ALPHA 12

Description

A subtle, sheer curtain fabric with an elegant sheen. The speckled yarns hold your gaze and give the fabric a pleasant rustle, like a delicate interruption in the rhythm of the fabric. The small variations in the weave create a wavy undertone. The curtain allows you to regulate daylight as well as allowing colour to swirl into the room. Alpha is room-high, woven from 100% recycled yarns and suitable for projects due to its fire-retardant properties.
