TIDE 04

Description

A sheer curtain fabric with a digital print of vertical stripes of colour flowing evenly into each other, resulting in a wide range of shades. Alternating between soft and intense, like waves on the shore. The curtain allows you to gently filter daylight while creating a cheerful glow in the room. The Tide design is digitally printed onto the transparent curtain fabric Akin and has a soft batiste-like feel. The fabric is room-high, woven from 100% recycled yarns and suitable for projects due to its fire-retardant properties.

Specifications

Part ID	0106070004
Composition	100% recycled polyester trevira cs
Width (cm)	310 cm
Weight (g/m1)	233 g/m1
Lightfasness (scale 1-8)	5
Flameretardant	Yes
Certifications	OEKOTEX
Color variants	6
Report	194
Shrinkage (%)	2%

Washing instructions

Industrial washing instructions
