

VLIET-RECYCLE 02

Description

Room-high curtain fabric with a bi-colour linen look. An in-between fabric with a graceful drape and a beautiful matte appearance. Vliet has long been one of the most beloved fabrics in the De Ploeg collection. That's why we now introduce Vliet-recycle — visually the same fabric, but made from recycled materials and available in an extended new colour range. Vliet-recycle is flame-retardant and therefore suitable for projects.
