

# MUSE 02

## Description

Room-high dim-out fabric with a matte finish. The subtle slub effect in the yarns gives this fabric a natural look. Muse is available in an extensive range of interior colours and is flame-retardant, making it suitable for the contract market as well.

## Specifications

|                          |                                |
|--------------------------|--------------------------------|
| Part ID                  | 0107070002                     |
| Composition              | 100% polyester flame retardant |
