GLOW 31

Description

A transparent curtain fabric with a subtle linen look and a striking digital design. The design is loosely inspired by the classic check pattern and the appearance of a wool-like plaid, but translates these recognizable elements into a contemporary version that plays with modern color statements. Softly blending colors create expressive accents and make GLOW a real eye-catcher in the interior. Thanks to its flame-retardant properties, this fabric is also suitable for project applications.

Specifications

Part ID	0107680031
Composition	100% polyester flame retardant
Width (cm)	300 cm
Weight (g/m1)	384 g/m1
Lightfasness (scale 1-8)	5
Flameretardant	Yes
Certifications	OEKOTEX
Color variants	3
Report	169
Shrinkage (%)	1%

Washing instructions

Industrial washing instructions
