ECHO 21

Description

A transparent curtain fabric with a subtle linen look and a digitally printed design. The design is inspired by the classic block pattern, translated into a modern variant in which colors gently blend into one another and together form a contemporary pattern reminiscent of a light plaid. The interplay of transparency, color, and structure gives the fabric a warm, modern appearance. Thanks to its flame-retardant properties, ECHO is also highly suitable for project applications.

Specifications

Part ID	0107690021
Composition	100% polyester flame retardant
Width (cm)	300 cm
Weight (g/m1)	384 g/m1
Lightfasness (scale 1-8)	5
Flameretardant	Yes
Certifications	OEKOTEX
Color variants	3
Report	204
Shrinkage (%)	1%

Washing instructions

Industrial washing instructions
